Chewy.com offers an adorable ornament kit that uses your pets paw print as a custom ornament. At \$4.99, how awesome is that!

Amazon.com offers these awesome reversible pet bed/furniture covers. No more Fido fur all over the furniture. Back to one of our favorites, Chewy.com offers a matching collar and bracelet called the friendship collar. Now your jewelry can coordinate with your pet. Love it!

Between Amazon and Chewy this year we are really making out easy! Check out the Pooch Selfie ball on Amazon.com. Nothing but perfect selfies with your pooch from now on! Hopefully one of these gifts will help with that dog lover in your life

## Safe Holiday Treats for Your Pooch

During the holiday season, most of us feel a little more generous. This may carry over into wanting to treat our furry babies with table scraps and treats. Some holiday foods are very dangerous for our little hairy loved ones and can cause ailments such as toxicities, gastric foreign bodies, gastroenteritis, and pancreatitis. Below you will find a list of things fairly safe for our pets in moderation. Remember that we don't want to tip the scales just because its the holidays.

Boneless Skinless Turkey Breast  
Broccoli, Carrots, and Peas

### DO NOT FEED:

Raisins, Onion, Garlic, Bones, Fat trimmings, sweets, dairy

## Cheers to a New Year

2019, how is that possible already? As Zen Den continues into our 2nd year of service to our pet community here in the AV, we ask our peers to let us know how we are doing and what you would like to see in 2019. Are there services you wish that we offered? Pointers to help our service meet the needs of you and your fur friend? We are very open to discussion of what we can do to help meet your needs and improve upon what we do here. We value our clients and patients, as all of our pet parents know how much we love your babies as our own. We are here for you, and our goal is to make life easier for you and your babies. Feel free to discuss suggestions with Christy or Lyndsi, or email to [zendenav@gmail.com](mailto:zendenav@gmail.com)
